On behalf of the Roselle Park Dads Club, we would like to respectfully request your consideration to become a sponsor in our upcoming Dads Club Golf Outing. With the generosity of our sponsors and all those who participated in 2018, the Dads Club was able to raise thousands of dollars which turned into additional scholarships awarded to RPHS graduates. The Dads Club has been working with the Roselle Park School District and the community since 1934 to benefit the youth of the borough. The Dads Club holds dear to its objectives as it continues to remain an important part of Roselle Park's present and future.

## Club's Objective

*"The objectives of this organization shall be to work in close cooperation with High School coaches, teachers, Board of Education and Governing body of the community, in a sincere effort to create a fuller and more productive life for the youth of Roselle Park, believing that in so doing we are helping to make better citizens of tomorrow"*

For over eight decades, the Dads Club has volunteered to help the youth of Roselle Park both academically as well as athletically. The Dads Club relies on donations and fundraisers to maintain its financial health in order to give back to the community. Over the years, the Dads Club has donated such things as scoreboards at the athletic fields and at the high school gymnasium, as well a universal gym. In addition, the Dads Club has given out scholarships and held All-Sports Dinners to recognize the borough's young athletes. With some of the money raised last year, the Dads Club purchased new uniforms for the girls middle school basketball team. With your sponsorship, you will help continue this great tradition in supporting Roselle Park scholar athletes.

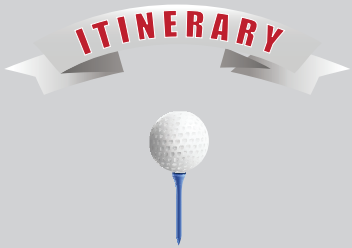

We thank you in advance for your support
